

a TASTE of Lynwood

2017 Sponsorship Opportunities

We are proud to announce the **7th Annual Taste of Lynwood Celebration** in the historic Lynwood neighborhood on Bainbridge Island. This annual event is the largest community event on the south end of Bainbridge Island and features live music at two stages, a variety of local food, an extensive family fun area, street performers, a beer garden, street fair featuring local artisans, specialty item vendors and more.

The Lynwood Center Neighborhood Association, through this celebration, seeks to broaden brand awareness of all affiliated sponsors and partner organizations by means of an extensive marketing campaign, which will extend off Bainbridge Island to include Kitsap County and Seattle.

This is a **FREE** event, which means a larger turnout of patrons anxious to support those who care about and support community. The venue showcases a wide variety of components that appeals to a broad range of both locals and visitors alike.
